### C LEGS

The Opteam C legs are available in aluminium or anthracite epoxy finish metal.

The adjustable jacks on the legs allow adjustment so that the working top stays flat, to compensate for any defects in the floor. These desks are 72 cm high.

Each top is equipped with two 80 mm elliptical cable ports specific to the range (except Compact and Wave tops which have only one).

### ADJUSTABLE I LEG

Adjustment is carried out when assembling the desk. The desk height can vary from 62 to 82 cm.

The adjustable jacks on the legs allow adjustment so that the working top stays flat, to compensate for any defects in the floor.

Each top is equipped with two 80 mm elliptical cable ports specific to the range (except Compact and Wave tops which have only one).

The Opteam adjustable I leg is available in aluminium or anthracite epoxy finish metal.

Pedestal: to use with I leg, choose the mobile pedestal.

## Compact top

Optimised solution offering space savings and comfort. Height 72 cm.

### CABLE MANAGEMENT

The Opteam range offers cable management solutions at 3 different levels:

- 1/ Each top is equipped with at least one 80 mm diameter cable port.
- 2/ The beam is designed to route cables and accommodate power outlet strips.
- 3/ The vertical cover fitted on the equipped C leg hides the cables routed along the leg.
